Forgiving and Moving On ...

There are many times in our lives when we have been hurt. However, one thing I have learnt over the years is that it is my response to the words that caused the pain which affects how I move beyond the feelings and frustrations those words caused.

Likewise, there is a sense that offence can be taken by the words spoken even when none was intended. This supports the notion that offence and forgiveness are bound up in who we are and even how we perceive what God has done for us through Christ. There comes a point in everyone’s recovery when the resentment and grief we hold on to causes us more harm than the actual words or betrayal that caused the pain.

Our emerging self is affected by the baggage we choose to carry, for it can take up so much space in our lives, it weighs us down and we can become metaphorically “stuck”. It is hard to flourish when we rest under the weight of resenting those who have hurt us. In a loving relationship with God the Father, Son and Holy Spirit we can free ourselves from the tyranny of resentment.

Forgiveness empowers us, it allows us to move beyond disgruntled feelings. However, it is okay to feel angry at times but acting out that anger long term only reinforces the notion that much of our anger is self-choosen. “My feelings are my responsibility – holding onto them or letting them go is also my responsibility.”

Keeping love in our hearts is what we are challenged to do in 1 Corinthians 13. It is what Christ did when He died on the Cross for us. Matthew’s gospel recounts the parable of the unmerciful servant, when Peter asks Jesus, “Lord, how many times shall I forgive my brother or sister who sins against me? Up to seven times?” and Jesus in His fullness of understanding about forgiveness says, “no not seven times, but seventy seven times.”

Forgiveness sets us free and allows us to fill our lives with what is good and holy and pure, and allows us move on to new beginnings ...

Principal’s Q&A - Tuesday 15 March at 7.00pm in the Staff Common Room

Mrs Kerry Paterson Head of Junior School and Mr Peter McLellan Head of Secondary School will speak about their areas of responsibility.

If you have questions, having them beforehand helps us feedback more effectively. Please send your questions to Sue Parkinson (sparkinson@gpcc.nsw.edu.au)
Welcome to Term 1, Week 5. This week, Junior School is revising the previous four weeks from our studies about *Living As God’s Kids*.

Psalm 139:14, “I praise You because of the wonderful way You created me. Everything You do is marvellous!” (CEV) The overall message is that **God loves them**. What a firm foundation to start the year with!

Congratulations to our team for winning the first place trophy. Well done Team! Details to follow in the Sports section.

### Can you assist?

**Needing another Grade Parent for Grades 1 and 3**

It is ideal to have two or more Grade parents in every grade. We have an opening in Grade 1 and Grade 3. Please let your child’s teacher know if you can assist. We appreciate this close partnership between College and families and are so thankful for our generous hearted Grade Parents.

### Computer Coding Club with Mr Turner

**Be known for what you stand for! National Anti-Bullying Day**

National Anti-Bullying day is on Friday 18 March and this year, Green Point Christian College is joining in. Together as a College community we will be emphasising these three steps:

1. Say STOP using kind and firm words
2. WALK away
3. TELL an Adult

Also, if students see bullying happening to another child, we encourage our children to speak up and stand up for their friends. We identify what being a passive bystander looks like and encourage students to “Do to others as you would have them do to you.” Luke 6:31

Bullying is not defined by a once off incident. Unfortunately, one off incidences will happen within any school community and will be addressed as such. Bullying is defined by behaviours that are targeted and repetitive.

Remember the key message: **Anti-Bullying day; 18 March AND every day** at Green Point Christian College! John 13:35, “By this everyone will know that you are my disciples, if you love one another”.

### Uniforms

Thank you to all our families who have sent children to school in the correct uniforms, including predominately white joggers for sport, no jewellery, shirts tucked in, hair tied up and no nail polish.

Teachers will continue to monitor this with their classes, sending stickers home in Student Diaries if items need to be addressed further.

Following uniform rules is important, as it teaches students to live within clear boundaries. This is part of preparing students to live within clear *society boundaries*, assisting them to self monitor as they mature and make their own decisions in life. We certainly appreciate our parents’ support in achieving this together.

Please feel welcome to make an appointment to speak with myself if there are issues or celebrations that arise during the year. We are in partnership together, for the benefit of our precious students.

**Blessings, Kerry Paterson**
Mr Peter McLellan  
Head of Secondary School  

Recently I had a conversation with a concerned parent about the amount of alcohol consumption that occurs at parties our students attend. Alcohol is very much a part of our culture, but at the same time it is not a healthy part of our culture if young people are consuming large amounts before their brains are fully developed. It has been shown in a number of studies that alcohol consumed too early affects the development of the brain and leads to many other developmental issues. It is important to remember that the supplying of alcohol to a person under age carries a very large fine.

If you are having a party with students from the College, please make it an alcohol free time. You need to be active in your participation in the party no matter how your child moans about how “uncool” you are. It is really important that you set the boundaries in the running of any party that your child is involved in.

Swimming Carnival

The swimming carnival is this Friday, 26 February. This is a compulsory school day and is a lot of fun. If you are having your child taken home by another parent or leaving early they will need a written note from you giving permission.

Year 9: Year 9 have started well, looking smart in their uniforms and generally applying themselves to class. The “Combined Assessment Schedule” has now been given to the Year group. If parents would like their own copy to help students keep abreast of tasks throughout the semester, please email me: kerrier@gpcc.nsw.edu.au. Working together, we can assist Year 9 in realising their goals for this year.

Mrs Kerrie Rochford

Year 11

When people find out I am a teacher at Green Point Christian College they always ask me “So what’s the school like?” My response is always the same “Green Point Christian College is more than a school, it’s a community.” Throughout Term 1 many Year 11 students have been working through the Peer Support Program with our new Year 7 students, helping them find their feet in Secondary School. I thought it would only be fair for the remainder of the students to commit to a little community service as well. Last week some of our students visited Kindergarten and Year 1 to help out our little ones with their reading and sight words. There may have been a few grumbles from our teens at the start, but the little ones put on their charm and melted hearts. Next week we will be making our way up the grades to help out with anything in Years 2 and 3. Mr Jay Brown

Year 11 Biology Incursion

We learnt from the Crocodile Encounters incursion about the adaptations and features of the Blue Tongue Lizard, Bearded Dragon, Australian Tarantula Spider, Long Neck Turtle and Olive Snake. For example, we learnt that the Blue Tongue Lizard adaptations are their blue tongues as the blue colour is often viewed as poisonous, therefore predators become hesitant to harm the lizard. Another adaptation of lizards is their ability to drop of their tail and regrow it. Olivia Farmer

Host Families for Visiting Japanese Students Needed

As part of our ongoing exchange program, Green Point Christian College will again be hosting a group of students from our Japanese Sister School, Shizuoka Kita High School in March. The students will arrive at the College on Monday afternoon, 14 March and leave on Thursday morning, 24 March. This is the fifth year that Shizuoka will have visited us and each year it has been a most enjoyable and rewarding experience for all students and their families.

The benefits for you and your children hosting a Japanese student are immense. Students will be involved in cultural/language exchange and will be able to strike up lasting friendships that will continue on social media, email, Skype and reciprocal visits long into the future.

Basic requirements for hosting a student from Shizuoka are that you provide meals and a bed for them for 10 nights. Please do not be concerned if you do not have a spare bedroom as such. A nice mattress on the floor (Japanese style!) would be adequate. Host families will be given a remuneration per student to cover food costs and other incidentals.

If you would like to help out or want to know more, please contact Mr Charles Wheeler at cwheeler@gpcc.nsw.edu.au.
Service Opportunities

One of the great things about being a community of people who love Jesus is that we are equipped and encouraged to bring light and hope to those around us. Our students will again have opportunity to do this in 2016 in a variety of ways, including the following:

**Peninsula Village Chapel Service** – Our students will have the opportunity to lead a Chapel Service for the residents each month. Students can talk to their Devotions teacher if they want to be involved.

**Coast Shelter** – There is an opportunity for students 16 years or older to serve at Coast Shelter Restaurant in Gosford alongside members of Green Point Baptist Church on Saturday afternoons. The restaurant provides free meals and support services to help homeless, vulnerable, financially disadvantaged and socially isolated community members. If interested, please pick up a permission slip from Mrs Collins in the College Office.

**Hammond Care** – Our students have been invited to volunteer their time, serving the aged and supporting people suffering from dementia. This volunteer role could involve offering company and conversation, helping serve meals, and engaging in a variety of activities. If interested, students can see Mrs Collins in the College Office for more information.

**Year 12 – Schoolies with a Difference**

Imagine celebrating the end of 13 years of schooling with a trip to a Pacific island. Imagine snorkelling on beautiful coral reefs, relaxing in idyllic surroundings, and helping a local community develop their infrastructure. Scripture Union are offering a Schoolies trip where you can make a positive difference. Year 12 students will have the opportunity to hear more about this on Thursday 17 March at their Year meeting. Stay tuned …

**Thought for the week:** “The most important thing about you is what you think about when you think about God.” A. W. Tozer

Prayer

“Trust in the Lord with all of your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight.” Proverbs 3:5-6 NIV

A small group of staff and parents meet each week to place College staff, students and families into God’s loving care. Please join us to pray on Tuesdays @ 2:00pm until 3.15pm. (Meet in the College Office). For prayer requests, please contact Ann McLellan on 0400 349 429 or fill out the blue form at the College Office reception.
