The Battle is the Lord’s …

There are many times in our life when we will face difficult and frightening situations and some that may even be life threatening. 1 Samuel 17 recounts the story of David and Goliath. It is probably one of the most well-known of the Old Testament stories. Goliath was a terrifying person, a mountain of a man and perceived as being simply unbeatable.

One of the myths of our culture is “if you set your mind to it, you can do anything”. There is this notion that the heroes of that myth can achieve fame and fortune, that they are the self-made men and women of this world who through sheer willpower achieve it all. There is a message in this myth that the victory goes to the strong and only the powerful can succeed.

At many times throughout history though, we read of people who have overcome difficulties and proved to have had a positive impact on the lives of many people and yet have not achieved fame and fortune, and in some cases have lost their lives trying to help others.

For the Christian, a person who believes God’s Word and accepts their need for forgiveness and redemption, there is the understanding that the battle is the Lord’s. Most of us are inadequate but what gives us strength is the notion that God is able to provide all we need because harsh words and disappointments, illnesses or other weaknesses will affect all of us.

Yet David who said “I know my transgressions, and my sin is always before me” is regarded as one of the heroes of the Old Testament, but he was a man who was vulnerable and at times weak. However, David was a man of faith and when he faced Goliath he put his trust in God knowing that “the Lord was and will always be the stronghold of his life and he was therefore not afraid”.

David possessed the qualities that helped him recognise that the Lord was what he needed above all else “that he wanted to dwell in the house of the Lord and to serve Him forever”. The unfolding of God’s life within us is the beginning of wisdom and provides all we need. In essence, what David discovered and we have also come to know, is that there is only one thing to live for: to love God. We will always be inadequate without God – the creator and Saviour of the Universe.

Principal’s Q&A - Tuesday 15 March at 7.00pm in the Staff Common Room

Mrs Kerry Paterson Head of Junior School and Mr Peter McLellan Head of Secondary School will speak about their areas of responsibility.

If you have questions, having them beforehand helps us feedback more effectively. Please send your questions to Sue Parkinson (sparkinson@gpcc.nsw.edu.au)
Welcome to Term 1, Week 6. As a Junior School, we are studying the “Life and Lessons of Jesus” with the Big Idea of “One Who Cares” (John 10:1-5, Psalm 23). Our MEMORY VERSE for the next five weeks as we head into the Easter season is: Jesus said, “I am the good shepherd, and the good shepherd gives up his life for his sheep”. John 10:11 May we model being adults who put our trust and hope in Jesus Christ, the one who truly cares for us and our families.

Toys/Games/Cards

Some students enjoy bringing toys, games, collectable cards etc to school for “Show and Tell” or to play with at recess or lunchtimes. As a College community, we discourage this due to conflict that can arise, and the lost or potential disappointment of the item being broken in the playground. Please be aware that students bring items to school at their own risk. We suggest, if the item is precious, please give it to the teacher in the morning and collect it from the teacher in the afternoon or alternatively, do not bring it to school to avoid disappointment or loss.

Book Covering Needed

We have just received 120 books from our Woolworths Earn and Learn doockets. Thank you for supporting our College for these new resources. If you are able to cover some of these books, please see Angela Sheather or Gretchen Taylor in the Office for details.

First Term Parent/Teacher Interviews

Thank you to our parents and teachers for an informative and successful Parent Teacher Evening. If you were unable to attend, let me encourage you to make a time to touch base with your child’s teacher over the next few weeks. At Green Point Christian College we value our partnership with parents and will make ourselves available for this important communication opportunity.

UNSW 2015 Competition Dates

The University of New South Wales Competitions or ICAS will be held at the College again this year. A letter will be sent home next week with details on how to enter your child. The dates are as follows:

- Digital Technologies - Tuesday, 17 May 2016
- Writing - Monday, 13 June - Friday 17, June 2016
- English - Tuesday, 2 August 2016
- Science - Tuesday, 31 May 2016
- Spelling - Wednesday, 15 June 2016
- Mathematics - Tuesday, 16 August 2016
Communication from Grade Parents to our College Community

We have 70% of contact information for Grade parents. Thank you so much for assisting in this. We are really keen to not have any family left out of the loop with grade events. If you are yet to return your form, or need a new form, please ask your child’s teacher or call the Office for a new form to be sent home.

Be known for what you stand for! National Anti-Bullying Day

National Anti-Bullying day is on Friday, 18 March and this year Green Point Christian College is joining in. Together as a College community we will be emphasising these three steps:

1. Say STOP, using kind and firm words;
2. WALK away;
3. TELL an adult.

Also, if students see bullying happening to another child, we encourage our children to speak up and stand up for their friends. We identify what being a passive bystander looks like and encourage students to “Do to others as you would have them do to you.” Luke 6:31.

Bullying is not defined by a once off incident. Unfortunately, one off incidences will happen within any school community and will be addressed as such. Bullying is defined by behaviours that are targeted and repetitive.

Remember the key message: Anti-Bullying Day; 18 March 2016 AND every day at Green Point Christian College! John 13:35, “By this everyone will know that you are my disciples, if you love one another.”

Uniforms

Thank you to all our families who have sent children to school in the correct uniforms including predominately white joggers for sport, no jewellery, shirts tucked in, hair tied up and no nail polish.

Teachers will continue to monitor this with their classes, sending stickers home in Student Diaries if items need to be addressed further.

Following uniform rules is important, as it teaches students to live within clear boundaries. This is part of preparing students to live within clear society boundaries, assisting them to self monitor as they mature and make their own decisions in life. We certainly appreciate our parents’ support in achieving this together.

Please feel welcome to make an appointment to speak with myself if there are issues or celebrations that arise during the year. We are in partnership together, for the benefit of our precious students.

Blessings, Kerry Paterson
It is already Week 6 of the 2016 school year and it feels like time is flying. It is not long before Half Yearly Exams for Year 12. At times it can feel a little overwhelming and create stress in all of us. But in God we find our strength and peace.

I am continually amazed at how wonderful our students are in the way they care for others and are willing to help out. It is a joy to work with such wonderful students.

Year 12 need to have their study plans in place, but for those who are struggling, here are some tips to keep on track. These tips are also great for Year 11 to practice.

### 8 Tips For Getting an Effective Schedule

- Place the calendar or printed schedule in a visible location so that it is easy to see and follow.
- When writing dates on a physical calendar, use a pencil so that it is easy to make changes if needed.
- Do not create a schedule that is overly rigid or that is not flexible enough to accommodate emergencies or conflicts that may arise.
- Schedules should be created so that the study times are consistent each day, which will help create positive study habits.
- Do not forsake well-balanced meals for study time. Poor eating habits can lead to fatigue, an inability to concentrate, and consequently less effective study time.
- Schedule study time in a location that has minimal distractions or interruptions.
- Study one course at a time for no more than two hours.
- Colour coded schedules are often easier to see and follow.

### 4 Quick Tips to Gain Better Focus

- For every 50 to 60 minutes of study time, plan a 10 to 15 minute break.
- When taking a break, get a snack for an energy boost, be active and take a short walk, or listen to a few favourite songs.
- Rewards for sticking to a schedule can be given at the end of a study day or at the end of the semester. The reward for adhering to a schedule for a semester should be greater than the reward that one gives him or herself for sticking to it on a daily basis.
- Study time should be scheduled for a time when the student is the most focused and alert. For example, people who are more alert at night should schedule their study time in the evenings.

### Year 10:

Students have now received their Semester 1 Assessment Schedules. Please use this to work with your child to plan ahead for upcoming tasks. If you would like a copy, please email me rgavin@gpcc.nsw.edu.au and I can send a copy to you. Mrs Rebecca Gavin

### Host Families for Visiting Japanese Students Needed 14 - 24 March

As part of our ongoing exchange program, Green Point Christian College will again be hosting a group of students from our Japanese Sister School, Shizuoka Kita High School in March. The students will arrive at the College on Monday afternoon, 14 March and leave on Thursday morning, 24 March. This is the fifth year that Shizuoka will have visited us and each year it has been a most enjoyable and rewarding experience for all students and their families.

The benefits for you and your children hosting a Japanese student are immense. Students will be involved in cultural/language exchange and will be able to strike up lasting friendships that will continue on social media, email, Skype and reciprocal visits long into the future.

Basic requirements for hosting a student from Shizuoka are that you provide meals and a bed for them for 10 nights. Please do not be concerned if you do not have a spare bedroom as such. A nice mattress on the floor (Japanese style) would be adequate. Host families will be given a remuneration per student to cover food costs and other incidentals.

If you would like to help out or want to know more, please contact Mr Charles Wheeler at cwheeler@gpcc.nsw.edu.au.
"... you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth." Acts 1:8

Heart 4 Service
We have had a great start to 2016 with many students serving in all different areas in our College community.

Junior School students are serving in the Canteen, Year 6 Buddies, Library Monitors, Library Service Group, Clean Up Our School Team, Chapel, L.A.S.T (Look After Someone Today).

Secondary School students are serving in Peer Mentoring, Chapel, Peer Tutoring, Open Day support, Canteen.

Our students are learning that when we serve others we are serving God. “... just as the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many.” Matthew 20:28.

There are many students who are already serving in our College community and local community. If students would like their service to be recognised, please complete a Heart 4 Service registration form available from the office. Students will then be given a Heart 4 Service Logbook to record their hours of service.

School Holiday CRU Camp
Green Point Baptist Church is hosting an action-packed holiday camp for Primary students in the first week of the April holidays.

“CRU on the Coast” is a day camp (drop off between 8:00am - 9:00am and pick up between 5:00pm - 6:00pm) running from Monday 11 – Friday 15 April 2016. There will be loads of fun, and all Junior School students are not only encouraged to attend, but invite a friend along so they can learn about how much God loves them, and have a great time in the process. Visit www.crucamps.com.au for more information.

Prayer
Thank you to the many local churches and families that pray for our College. Prayer is such an important aspect of our lives with God and any time spent in prayer is time well spent. May we continue to be a prayerful community of people, recognising that we are His children, and serve Him in all we do.
