Prayer Changes Things …

One of the most significant things that prayer changes is us, for it is in our helplessness and powerlessness that we realise our absolute and acute need for God. As we pray, we who are in Christ, who understand what God has done for us, realise that whilst we pray for forgiveness and healing, prayer crystalizes for us the unmerited favour we have been given in being able to come before our Heavenly Father.

The Scriptures remind us in Deuteronomy 4:7 that no “other nation is so great as to have their God near them when they pray to him.” This is our reality, God dwells in us through the Holy Spirit and hears and responds to us as we reach out to Him. Our helplessness is our strength because it impels us to seek God. There are times however, when our self-sufficiency re-asserts itself and we forget that we are in need of a Saviour.

In the Gospel of John in the New Testament we are reminded through the parable of the vine that Jesus is the vine, and we are His branches and that if we remain in Him He will always remain in us, and as a result we will bear much fruit, but if we live apart from Him, we are told we can do nothing.

The essence of faith is to come to Christ, for faith awakens in us our helplessness and need for God. This does not mean there will not be times when we doubt and struggle with the events of this world, but that is quite a different thing to unbelief. Unbelief is an attitude that ignores the evidence of God all around us, and leads to a refusal to see our own need of a Saviour and His Lordship in our lives.

Doubts are something that will beset us all at some time usually caused by anguish, pain or suffering. We are challenged and our faith is tested, yet it is this very helplessness that drives us to prayer. Pray then that the Spirit of God will drive us to pray for it is here that we will truly commune with God the Father. We are constantly encouraged to pray for one another and for our own spiritual well-being. James 5:16 says “the prayer of a righteous person is powerful and effective.”

“Rejoice always, pray continually, give thanks in all circumstances; for this is God’s will for you in Christ Jesus.” 1 Thessalonians 5:16-18
Junior School News

Mrs Kerry Paterson | Head of Junior School

Welcome to Term 1, Week 7. The “Life and Lessons” of Jesus series for Junior School continues this week with “Jesus, The Good Shepherd”. (John 10:1-18, Luke 15:1-7) Jesus is the ultimate Good Shepherd, coming to earth to teach us about God and to show us how much we are loved. Our memory verse for the next four weeks continues as: Jesus said, “I am the good shepherd, and the good shepherd gives up his life for his sheep.” John 10:11. May we be mindful of how much the Father loves us in our conversations with our families this week.

Head of School Awardees plus Cupcakes, Chat and Celebrate!

We congratulate the following students for achieving the Head of School awards for this week:

Lillybelle Cashin, KDL; Katherine Mitchell, KG; Hugh Pooley, KP; Eva Lambert, 1MM; Alexander Barnes, 1PB; Victoria Vojkovic, 1SM; Olivia Melenewycz, 2B; Tuscany Cannone, 2D; Charlie McKee, 2W; Mathis Limpkin, 3P; Lexi Klein, 3W; Tahlia Hirst, 3/4D; Aiden Descas, 4H; Zachary Soede, 4S; Adam Alcorn, 5B; Madeline Nelson, 5L; Ellia Turner, 5/6L; Summer Healey, 6M and Marissa Zepernick, 6P.

Every Thursday, awardees are invited to a special morning tea, hosted by Mrs Walls, Mrs Stowe, Stage Co-ordinators and Mrs Paterson in the Staff Common Room.

Infants Swimming Carnival – Friday 11 March, Peninsula Leisure Centre, Woy Woy, 9:00am – 12:00pm

This is a fun filled day for every child and parent who attends, with races, novelty events, morning tea picnic, games and water slide fun. Details went home to parents on Monday. If you have not received this information, please do contact your child’s teacher.

Thank you for those who have returned the slip, indicating how your child will travel to and from the carnival, with whom, and if you can assist us at this very special event.

Parent Safety

Play is important for physical and social growth. Studies show that physical activity in the morning boosts academic success. We want our children to play.

Our playground space is at its optimal usage at the same time as student “Drop off” in the mornings, causing this area to become a shared thoroughfare.

We would recommend that for parents with smaller children or those who are pregnant, please continue up the path and walk across to Kindergarten/Year 1 via the under covered walkway in front of the Year 5 and 6 doors. We hope this will minimise risk to yourself and younger children, while allowing students to play. It is also better for rainy days. Thank you for your support as we negotiate shared spaces in our playground.

Toys/Games/Cards

Some students enjoy bringing toys, games, collectable cards etc to school for “Show and Tell” or to play with at recess or lunchtime. As a College community, we discourage this due to conflict which may arise, and the lost or potential disappointment of the item being broken in the playground. Please be aware that students bring items to school at their own risk. We suggest that if the item is precious, please give it to the teacher in the morning and collect it from the teacher in the afternoon or alternatively, do not bring it to school so as to avoid disappointment or loss.

UNSW 2015 Competition Dates

The University of New South Wales Competitions or ICAS will be held at the College again this year. A letter will be sent home next week with details on how to enter your child. The dates are as follows:

- Digital Technologies - Tuesday, 17 May 2016
- Science - Tuesday, 31 May 2016
- Writing - Monday, 13 June - Friday 17, June 2016
- Spelling - Wednesday, 15 June 2016
- English - Tuesday, 2 August 2016
- Mathematics - Tuesday, 16 August 2016
Grade Parents Meeting Today in the SCR, 2.30pm - 3.00pm

We will be giving the Grade Parents the parent contact details that have been collected from College parents. We will also be coordinating schedules to ensure we have no Grade Parent events clashing. Thank you to our Grade Parents who do such a valuable job in our community, connecting families and building community. We so appreciate you.

National Anti-Bullying Day, Friday 18 March – Add Orange for the Day!

On 18 March, we encourage our community to add orange adornments to our school uniform to stand together for National Anti-Bullying Day. You might add orange headbands, glasses, ties, flowers, socks, wigs ... really it is up to you!

Together as a College community we will be emphasising these four steps:

1. Say STOP using kind and firm words;
2. WALK away;
3. TELL an adult;
4. Do not be a passive bystander – act by telling an adult.

“Do to others as you would have them do to you.” Luke 6:31

Bullying is not defined by a once off incident. Unfortunately, one off incidents will happen within any school community and will be addressed as such. Bullying is defined by behaviours that are targeted and repetitive. Remember the key message: Anti-Bullying day; 18 March AND every day at Green Point Christian College - John 13:35 “By this everyone will know that you are my disciples, if you love one another.”

Uniforms

We really are improving in this area as a community. Thank you so much families. We are achieving this through your support. Joggers continue to remain the largest area for improvement.

Following uniform rules is important, as it teaches students to live within clear boundaries. This is part of preparing students to live within clear society boundaries, assisting them to self monitor as they mature and make their own decisions in life. We certainly appreciate our parents support in achieving this together.

Please feel welcome to make an appointment to speak with myself if there are issues or celebrations that arise during the year. We are in partnership together, for the benefit of our precious students.

Scholastic Book Club Orders - Issue 2

The orders are due back to school by Monday 21 March, Week 9 or can be ordered online using the LOOP process.

Junior School Students Shining Brightly – Bryn O’Grady-Cousins, Kyne Baird and our CSSA Swimming Team

Last Saturday evening, Bryn participated in the “World Greatest Shave” raising over $2,500 for the Leukaemia Foundation. As an 11 year old young surfer and MacMaster’s Nipper, Bryn has been growing his hair for three years. Of his own initiative, he decided to shave to raise money towards this great cause. Well done Bryn, we are so proud of you.

Congratulations also to our BMX Champion Kyne Baird, who is now placed seventh Australia wide, for 8 year old BMX riders. We were all cheering you on Kyne, and are thrilled to celebrate your success last Friday.

Congratulations also to all our CSSA Junior School swimmers who did very well at Blacktown on Monday. Mr Lambert will be putting these details in the newsletter next week and our College will celebrate with you at Chapel on 16 March. Great job Junior School Swimming Team!

Colossians 3:23, “Whatever you do, work at it with all your heart, as working for the Lord ... .”

Blessings, Kerry Paterson
Mr Peter McLellan  
Head of Secondary School

We are excited to announce the start of a new initiative in the Secondary School for Years 7 – 10 to improve our literacy standards in a fun way. We are introducing a reading program which is outlined below. Reading is so important for the ability of our children to cope with education and life. We really want our students and parents involved in this initiative. It is one way that you can help your child read more.

**Reading Catalogue**

Reading is a skill that opens doors for a successful future. Information is available all around us. Understanding this information, enjoying it, sharing it and learning from it, are beneficial life skills.

**Green Point Christian College** values reading. Therefore, to encourage our students to read widely and regularly, we have developed an online Reading Catalogue. On this site, the books are separated into genres and A and B stream texts. Once your child finds a book they are interested in, they can borrow it from the College Library. Additionally, some online texts are provided. If a book or a series they are interested in is not on the list, they can send an email to the address below and request for it to be added.

When the book is finished, if a student writes a short, but meaningful response, they will collect five points for their House. All comments posted on the site will be monitored by the administrator, to ensure appropriate use.

For students to sign up for this opportunity, send an email to reading@gpcc.nsw.edu.au, including name, Year group and House. Students will receive an invitation to join, with a password, username and page link.

We look forward to partnering with you in developing your child’s love of reading.

**Anti-Bullying Day**

Friday 18 March is Anti-Bullying Day. We would like students to come to school marking this day by wearing something orange adorning their normal school uniform. **You might add orange headbands, glasses, ties, flowers, socks, wigs ... really it is up to you!** We are a school that wants to stop all bullying. There are a number of key actions to remember when it comes to bullying which is the repeated victimisation of another person.

1. You have the right to speak assertively to stop bullying occurring;  
2. You need to walk away from the situation;  
3. You need to communicate what is happening to an adult;  
4. If you are a bystander and do nothing to stop it bullying, you are an accomplice to the act of bullying.

Let us stop bullying and continue to build a caring and safe learning community for all.

**Resilience Building in our Children**

Negotiating the ups and downs of life can be tricky for us as adults. When it comes to watching our children navigate these ups and downs, it can be heartbreaking and our natural instinct is to try and rescue our child from the situation or solve the problem for them. However, rescuing our children from difficult situations or solving all their problems can reduce their capacity to build resilience and thrive, and survive in the world ahead.

Avoid solving all their problems for them. You can promote a lasting sense of resilience in your children by:

1. Having a positive attitude yourself. Your attitude as a parent impacts on their ability to bounce back from some of the difficulties they face. Make sure you model a “you can do it” attitude for your child when they meet some of life’s curve balls.  
2. Look for teachable moments. Many children’s learning opportunities are disguised as problems. Make the most of these opportunities so that children can grow and learn from some of the challenges they face.  
3. Make children active participants in the family. Active participation in a family develops the self-help, problem-solving and independence skills of children that are necessary for resilience.  
4. Build child coping skills. There are plenty of strategies you can pass on to children to help them cope when life does not go their way, including acceptance, getting away for a while, and normalisation.

Promoting resilience in children is a not a single event, but a continuous process that requires adults to be supportive and empathetic when things do not go their way. It also requires you as a parent to have an understanding of resilience, so you have faith in yourself, and your child’s ability to cope.

**Hats**

Just a reminder that Secondary School students must have a Green Point Christian College hat at school at all times and must wear it when they are in the sun. If they do not have a hat at school, a student will be given a uniform detention.

**Year 12 Half Yearly Exams**

Our first big exams are nearly here so this is a reminder for any parent of a Year 12 student - they need to be spending quality time studying for these very important Assessment Tasks. Revision of notes, practice questions and more of the same needs to be undertaken now and should be continued by the students for the rest of the year. Students need to be studying at least 2 - 3 hours for every subject every week and not just the week before the exams.
Secondary School News

Shizuoka Kita High School Students Visit 14 - 24 March

Our visitors from our Japanese Sister School, Shizuoka Kita High School arrive at school on Monday 14 March. A Welcome Assembly will be held on Tuesday 15 March to officially welcome the team of students and accompanying staff.

Parent/Teacher Interviews – Year 7 to Year 12 - Tuesday 29 March

Interviews for Years 7, 8, 9, 10, 11 and 12 students are on Tuesday 29 March, from 4:00pm until 7:30pm in the MPC.

Please note, that this is the day after the Easter long weekend, so bookings will be open earlier than usual as both the Friday and Monday prior are public holidays.

Bookings are done through the internet, so it is important that you keep the College updated if you have changed your email address as this is what is used for you to be given access. PIN numbers change for each round of interviews for security reasons, so you will need to acquire your new PIN number.

This is done by opening our web page, and from the home page, click on the drop down menu called “News”, then click on “Upcoming Events”. You will see the PTO icon on that page. Click on the PTO icon, and select the first line on the right hand side, which says “Obtain PIN/Password”. You will need to enter your email address (that you have previously supplied to the College). You will receive an email with a secure link which will take you straight in to PTO, bypassing the usual login screen, and the need to remember another PIN. Follow the prompts and book the times for the teachers who you wish to see.

Bookings will open online on Friday 18 March, and will close on Monday morning, 28 March.

If you have any problems acquiring access, or if your email address is not the current one, please phone the College Office for assistance.

Missions and Service

Mr Andrew McInnes | Head of Spiritual Development K-12

“... you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.” Acts 1:8

This week at Chapel the Secondary School students explored the way in which we often use our words in an attempt to manipulate the way in which others perceive us. This idea of ‘image management’ is prevalent throughout our society, especially when it comes to social media. Why not take a moment this week, perhaps around the dinner table or whilst in the car together, to discuss as a family the ways in which you can be aware of the pitfalls associated with trying to impress others, especially when it results in having to exaggerate or lie about ourselves or our experiences.

Heart 4 Service

It has been encouraging to see so many students (in both Junior School and Secondary School) choosing to give up their time to serve others in the College community. Mrs Collins is being kept busy with people wanting to serve in a variety of ways such as cleaning up the school, peer support, helping in the Library, serving in the canteen, leading tours for guests through the College on our Open Day, and much more.

Sport News

Secondary Zone Swimming Carnival

Last Thursday 3 March, we held our Secondary Zone Swimming Carnival. We were successful in winning the carnival by almost 100 points. This is a fantastic effort as this was not the biggest team we have sent to a Zone Carnival which highlights the talent of the students who attended. We had some wonderful individual results as well. We won 7 of the 14 Age Championships with Eden Matterson, David Spragg, Liam Ferguson, Mykahla-Ann Howell, Fergus Henderson, Jane Spragg and Matthew Reynolds all taking out the honours for their respective age groups. We also had some people place in the top 3 for Age Champion – Jayden Webber, Matthew Forrest and Cassidy Matterson were Runners Up and James Walker and Zane Ashman finished 3rd in their respective age groups.

As well as these wonderful results, there were also some broken records. Liam Ferguson 15yrs Breastroke, Fergus Henderson 16yrs Breaststroke, Eden Matterson 13yrs Breaststroke and Matthew Reynolds 17yrs Fly. Thank you to all the parents who assisted in time keeping and other duties on the day. Also a huge thank you to Mrs Kerrie Rochford for organising swimmers for the relays and doing a great job as Team Manager.

Ozag Star

Congratulations to Breanna Reynolds (Year 8) who has been selected as a shadow player in the NSW U14 Oztag team. Well done, Breanna and all the very best. Great effort.

Mr Chris Wellington, Secondary Sport Co-ordinator

Summer Oztag

Many thanks to the students and parents who enabled teams to participate in the Central Coast Junior Oztag Program this summer. Most divisions have now finished with the exception of Central Coast Grammar School. Games were played at Kincumber and Lisarow, with many Green Point Christian College teams progressing through to the final rounds. Good football skills, teamwork and friendships were evident over the past 10 weeks.

Watch out for 2016 Summer Registration at the end of Term 3, for commencement Term 4.

Mrs Corinna Reynolds
Sport News

The announcement of Zone Swimming Age Champions in the Newsletter will follow the presentation of medallions at Chapel on Wednesday 16 March 2016.

Primary CSSA Swimming Carnival

What a sensational day! I am so amazed at the talents of our swimmers. They were up against the best Christian Schools in all NSW and they definitely brought their A-Game. All swimmers represented our College so proudly and you could hear that Green Point chant throughout the crowd.

Well done to everyone who attended the carnival and for giving your best. Congratulations to the following students for qualifying for the CIS Swimming Carnival on Tuesday 22 March:

</tr>
</tbody>
</table>

This is one of the largest teams that we will send to CIS, which is just fantastic. One final thing, out of 55 schools who competed, Green Point Christian College came 2nd overall with 230 points (Oxford Falls came 1st). That is such a great achievement and definitely one of our best swimming carnivals ever. Well done, Green Point Christian College.

CSSA Soccer Trials

Last year, I had the privilege of coaching a group of boys who have so much talent with a soccer ball. They astounded me with their skills and determination in any form of the game, let along their love of playing. This year, these same boys (Nicholas Kratochvil, Arden Cannone, Peter Read, Phoenix Carroll, Jacob Byrne and Brock Symington) attended the CSSA Soccer Trials held at Mamre. Ben Sheather was unable to make it due to prior commitments.

They knew that they would be against some of the best soccer players in the State, but they do love a challenge. The boys were put to the test, playing numerous games throughout the day, vying for a position in the final CSSA Team.

After the drills and games, Brock Symington and Peter Read were selected in the team. This is such a superb achievement by both boys and we wish them all the best for the CIS Soccer Championships in a few weeks. The other boys were very close to selection as well, which just demonstrates the depth of talent that we have here in soccer.

State Nippers Championships

Last weekend, Lachlan Duggan, Emma Duggan and Bryn O’Grady-Cousins all competed at the State Nippers Championships. They all competed in numerous events and performed extremely well.

Surf Swim: Lachlan came 19th out of 32 in the Surf Swim Final; Bryn made it to the Semis but missed out on qualifying for the Final; Emma won her Surf Swim Final.

Board: Lachlan paddled the 3rd, finishing 8th in their round, just missing out on the Final; Emma’s team finished 3rd, while Emma came 2nd in her individual board event.

Swim Team: Emma’s team came 4th overall.

I would like to congratulate Lachlan, Emma and Bryn for not only their wonderful results, but for also demonstrating an enormous amount of courage and skill to compete at such a level of competition.

Mr Nathan Lambert, Junior School Sports Co-ordinator
Are your kids being controlled by screen devices?

Love in Action
TERM 1, 2016
Managing Screen Time

Albert Einstein once said "I fear the day that technology will surpass our human interaction. The world will have a generation of idiots." Is this becoming a reality?

Come and join the Love in Action community as we explore ways to equip you and your children with skills and strategies to manage screen devices and build healthy, happy and thriving families.

Calling For Volunteers – We Need Your Help

Our students really enjoy participating in the Commonwealth Bank School Banking Program and to keep this program running we need your help.

The program requires a volunteer School Banking Co-ordinator to facilitate the banking and distribution of School Banking rewards.

This only takes a small amount of your time one day a week and the Commonwealth Bank will provide support in how to run the program.

Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising.

School Banking day is Friday.

If you are interested in volunteering for this great program, please fill in the tear off section below and return it to the office.

Commonwealth Bank School Banking Program - Please return to the College Office

Yes, I would like to help with School Banking.

Year 7, 2017 – Sibling Applications

Applications for siblings who are interested in Year 7, 2017 are required by 31 March 2016.

Please do not hesitate to contact Michele Drover, Registrar on 4367 9928 if you would like any further information or if you would like a tour of the College.

Volunteers Needed for Secondary School Exams

Green Point Christian College is privileged to be able to offer support by way of Exam Provisions in the Secondary School to assist those students who may otherwise be disadvantaged in their examinations and assessments.

We are always in need of helpers who are willing to give their time during exam periods to assist our students as readers, writers and/or supervisors. Helpers can be mums and dads or grandparents from K - 12, uncles, aunties, neighbours or friends of our College.

We currently have a wonderful group of people who volunteer their time for this necessary program. We are very appreciative of the time they give up to help. Sometimes parents want to volunteer in the College but do not know which area would suit them. Helping with exam provisions is one way to still be involved with the College and bless students in need.

If you feel that this is an area to which you could contribute and are interested in becoming part of this important team of volunteers, we are running two Information Sessions on the following dates:

Tuesday 15 March 2016 at 9:00am in the Staff Common Room; or

Wednesday 16 March 2016 at 9:00am in the Staff Common Room

These sessions would run until approximately 10:30am and morning tea will be provided. We hope that you will be able to attend. Time is allowed in the sessions for questions and feedback. Please RSVP to Ann McLellan on 4363 1266 ext 258 or via email on amclellan@gpcc.nsw.edu.au.

Mrs Bronwyn Frankham, Supervisor of Support Services K-12

Green Point Baptist Church
