2013 Engineering & Technology Cadetships (ETCAD) Program

Under this Program, Rolls Royce will provide opportunities for Engineering Cadets in its Naval Marine business and Westpac will look to place Technology Cadets in Group Technology at Head Office.

Under the ETCAD Program, Engineering Cadets will study Mechanical Engineering, Electrical Engineering or Naval Architecture. Alternatively, they may select a Flexible Entry Engineering Degree. Technology Cadets will be able to select from Computer Science, Information Technology or Information Systems. Alternatively they may choose to study Commerce or Arts and intend to take a Major in Information Systems. For more information, visit www.etcad.com.au.

JOBS

1st Year Full Time Apprentice Chef, Central Coast (Tumbi Umbi), Mingara Recreation Club Ltd

Are you ambitious and passionate about a career in cooking?
Do you want to develop your skills and knowledge?
Would you like to further your education in Commercial Cookery?
Are you energetic, hardworking, enthusiastic and enjoy working within a team environment?

If you answered yes to all of the above questions Mingara Recreation Club may have exactly what you are looking for. An outstanding opportunity exists for a 1st year Apprentice Chef to join our team of committed staff in our Indigo restaurant. We pride ourselves on working towards a humanistic-encouraging culture and we do this by living our values.

The successful applicant will meet the above criteria, and most of the following:

- Enjoy being on show in an open kitchen
- Full availability including nights, days, weekends and split shifts
- Exceptionally well groomed in line with Mingara’s dress and grooming standards
- Excellent people & communication skills
- Demonstrates behaviours that “go beyond our values” as stated in our values matrix
- Safety conscious approach
- Responsible Service of Alcohol
- Food and hygiene handling certificate

Remuneration is as per the Mingara Enterprise Agreement 2010. The successful applicant will be required to attend TAFE one day per week studying certificate 3 Commercial Cookery.

Those looking to pursue a career within cooking should apply via Mingara’s website www.mingara.com.au following the careers link.
Trainee Required

Please forward resume to:

The Director

Brooke Avenue Early Learning Centre

4 Tyrell Place. BATEAU BAY.

1st Year Apprentice Mechanic (Light)

• Immediate start
• Multiple locations
• Must have drivers licence
• Paid to study Certificate III Automotive - 48mths

Central Coast Group Training is the coast’s leading employer of apprentices and trainees and has been in operation for more than 30 years.

Our host employer is an automotive service centre who has workshops in West Gosford and Tuggerah. They require a 1st Year Mechanic to join their team. This is a great opportunity for anyone who is looking to start an apprenticeship in Automotive.

Duties within this role include but are not limited to, customer service, assisting mechanics, oil changes and car inspections. More duties will be added as your skill level increases. Some drop-off and pick-up of customers will also be required.

To be selected as the successful candidate you will be, willing to get your hands dirty, communicate effectively, well presented and able to handle constructive feedback.

This position will be 38 hours per week with a rotating roster working Monday- Saturday.

As part of this apprenticeship, you will be PAID to study a Certificate III in Automotive Light Vehicle through On the Job training.

To apply for this position please visit our website at www.ccgt.com.au and click on the position, followed by “Apply Now” to submit your details.

Mr David Russell - Director of Administration / Student Adviser
