Green Point Christian College has a licence to use the careers information website called Job Jump. Students are encouraged to register with Job Jump and to use the site. Parents may also register and assist their sons and daughters.

When you register on JobJump you will receive news on the Careers you like sent to your email address. You will also be able to use the JobJump website to help you with your career research.

To register with JobJump, go to the website at www.jobjump.com.au. Enter into the first white box at the top right the first letters of your school's name and when the full name appears just below, click on your school name and it will enter automatically into the first white box.

In the second white box, enter your email address and then click the Login button. A new screen will appear which asks you to type in lower case letters your school's password.

**The password for Green Point Christian College is the word: finches**

Telecommunications engineering students forge careers with Optus cadetships

Bachelor of Engineering students majoring in Telecommunications Engineering at Macquarie are invited to apply for one of 10 amazing Optus cadetship positions.

Announcing new science and engineering scholarships

We are offering new scholarships – including some for female students only – to help aspiring science, engineering and IT students get started on an exciting career journey.

Making sense of Big Data takes big thinking

Dr Stephen Wan’s study in computing and computational linguistics at Macquarie has led him to a career as a research scientists at CSIRO’s Data61, where he gathers important new insights from information shared on social media – and has become one of the faces of CSIRO.

Student travel takes off with $1 million grant

From 2016, nearly 300 Macquarie students will be able to travel to Bangladesh, Cambodia, China, Fiji, India, Japan, Singapore, Thailand or Vietnam through PACE, Macquarie’s unique Professional and Community Engagement program.

Students get a head start in a booming industry with new Human Sciences majors

For students with a passion for making a positive difference, Macquarie’s Bachelor of Human Sciences offers seven majors to give students the practical skills they need to work in a range of health services roles.

Pioneering new website launches

Our new website is part of Macquarie’s ‘Pioneering Minds’ initiative, showcasing the University’s rich history of transformative learning and teaching, and exploring the ways we are taking an innovative approach to helping solve global issues. Explore the website – who knows where you might find yourself?

Introducing Academic Entry

We are matching students’ strengths to our world-class degrees through our Academic Entry Program, which assesses a student’s performance in individual HSC subjects against their preferred degree and makes an early offer to eligible students.
Early Enrolment and Welcome Day

For students who are keen to get a head start on University life, Macquarie is having an early enrolment day on 14 December 2015. Find out if you qualify

Registrations open for the Macquarie ConocoPhillips Science Experience

This action-packed three days of science, engineering and technology at Macquarie University is perfect for students entering Years 9 and 10 in 2016.

Information Evening at Macquarie Uni

Date:
17 December 2015

Time:
5:00 pm - 8:00 pm

Location
Atrium, CampusHub, Building C10A, Macquarie University

At Macquarie, we see you as a person, not a number. We also recognise that opportunity is needed for talent to flourish.

Join us at our information evening to discover how Macquarie’s unique approach to study through experiential learning programs will give you a competitive edge as a graduate.

Topics presented on the night include:

- An overview of our pathway program Next Step
- An introduction to the new Macquarie University International College Diploma and Foundation programs
- Scholarships advice
- A snapshot of our unique professional and community engagement (PACE) opportunities and Global Leadership Program
- Information on fees, how to apply and what life is like as a Macquarie student.
- Advice on how to make the most of your ATAR through programs such as Bonus Points and Internal Transfer
- Guidance on our Academic Entry Program that could see you getting an early offer to study at Macquarie

You also have the option to arrive early and take a tour of our vibrant campus and state-of-the-art facilities. Tours run from 4.30-5pm.

We wouldn’t want you to leave with an empty stomach, so refreshments will be served. Be sure to register so we can cater for you.

To register, visit: http://www.mq.edu.au/about/events/view/get-more-from-your-atar-information-evening/?fullsite=1
Hospitality Careers

Culinary Boot Camp

On the 7th of December we are launching a one week program that gives passionate people a taste for the kitchen!

Over the week participants will work their way through 5 Commercial Cookery units:

- Use Hygienic Practices for Food Safety
- Use Food Preparation Equipment
- Prepare Simple Dishes
- Participate in Safe Work Practices
- Work Effectively with Others

The Boot Camp will be held at the Ryde Campus - Northern Institute part of TAFE and is designed to leave participants with a taste for more!

If this sounds like you or someone you know share this or apply now!
