TAFE evening course - Certificate III in Fitness

Register by 10th February if you want to do this Certificate 3 course....

Certificate III in Fitness

Course Description
This course is designed for those working or wanting to work in the fitness industry. Participants will gain skills working with individuals or groups as a fitness instructor.

Course Outcome
- Strong emphasis on practical sessions.
- Highly qualified staff with extensive experience that are highly respected in the fitness industry.
- Continuous support via comprehensive study notes, tutorial sessions and online tuition.
- Students will gain industry expertise not only from direct contact with course presenters but from relationships formed with other students.
- Mixed mode delivery which offers the participant greater flexibility to study part of the course in their own environment, at a pace that suits their learning style.

Starting 3 March 2014 to 4 June 2014.
Monday and Wednesday nights 5 - 8 pm for 12 Weeks

Jobs

1st and 2nd Year Electrical Apprentice

- March 2014 Start
- Located at Wyongah
- White Card Required

Central Coast Group Training is the Coast’s leading employer of apprentices and trainees and has been in operation for more than 32 years.

Have you considered starting your career as an electrician? Have you been looking for the opportunity to learn more about the industry? This is a fantastic opening for a person who is looking to commence an apprenticeship as an electrician.

Our Host has been in operation for the last 4 years and is a fully licensed and insured electrical and data contracting company. They operate throughout the Central Coast, Newcastle and Hunter region, specialising in proactive and reactive maintenance, electrical, lighting, communications, and energy management.

This role will be in a fast paced environment with a diverse range of clients including retail, commercial, hospitality and age care.

Duties within this role include but not limited to:-

- Commercial work
- Wiring
- Testing
Careers

- Maintenance
- General repairs
- Fault Finding

As the successful candidate, you will have a great work ethic, high attention to detail, professional appearance and attitude, and be willing to listen and learn.

Part of this apprenticeship will require working outdoors, often at heights and in confined spaces.

This role is a full time role working 7am - 3pm, Monday to Friday. You will be working a 40 hour week with a rostered day off. This position will also include occasional overtime and weekend work.

As part of the apprenticeship, you will be paid to study a Certificate III in Electrotechnology Electrician through Hunter TAFE over a 48 month period.

To apply for this position please visit our website at www.ccgt.com.au and click on the position, followed by “Apply Now” to submit your details.

1st year Carpentry Apprentice
Required by small carpentry company. Must be keen, have drivers licence and reliable transport. Based on the Central Cost, but work between Sydney and Newcastle. Only shortlisted applicants will be contacted. Apply online at http://jobsonthecoast.com.au/centralcoast/jobs/carpentry-apprentice/

Business Trainee
At Berkeley Vale for a retail shop and service provider of residential and commercial pumping and irrigation needs. Role will include customer service, computer use, sales, stock receivable and dispatch. You will be reliable, respectful and keen to learn. Previous experience working with people/customers will be beneficial and a mechanical aptitude is desirable. The position is 40 hours per week, with an RDO, Monday to Friday 8am to 5pm. Applications close Wednesday 29th January. Apply online at www.ccgt.com.au
