GPCC Uniform Shop

Green Point Christian College runs a Uniform Shop here on the Campus. New students need to make a booking for a Uniform fitting. Bookings may be made at Orientation Day or through Reception. At the time of fitting you will be expected to collect and pay for your Uniform. The Uniform Shop now accepts Credit Card payments.

If you are unable to get to the Uniform Shop during normal hours there are other ways to access the Shop. You may telephone an order to the Shop to be left at Reception for payment and collection. Or children may hand in an order to the Canteen with payment, this will be processed as soon as possible and sent to the child’s classroom. Credit Card payments over the phone will be accepted subject to Bank approval. Note: There are some second hand items for sale.

Uniform fittings will be held in Term 4. Uniform items will be available for purchase at the time of your fitting appointment. If payment is a problem on the day of your fitting, an arrangement can be made to hold it for you, please enquire at the Uniform Shop. The Shop accepts cash, cheque and credit/efptos.

General Uniform Information

GPCC is committed to maintaining an environment where students recognise that they are valued and unique individuals, but are also integral members of a community. Within this environment, students are encouraged to develop their individual talents and gifts and to explore how to use these gifts in the growth of the community as a whole. One of the ways that students demonstrate their commitment to the College community is by the wearing of a uniform. It is a visible reminder of the connection and commitment to the vision and values of GPCC.

Benefits of wearing a uniform:

- It provides a common standard of appropriate dress that reduces the opportunity for superficial comparisons to be made.
- It provides a standard of appropriate dress that is modest but functional, therefore removing the opportunity for others to be negatively impacted eg some clothing items highlight the human body in a sexual way, or may contain offensive slogans or pictures.
- Provides students with a tangible and positive symbol that they belong to our school community.
- Assists the students in their roles as ambassadors of the College, whether in or out of school.

Students are expected to be in formal uniform each day and are to be wearing it appropriately without modifications. Students need to get changed into their Sports Uniform or Blacks if they are involved in any of the following:

- Practical PDHPE classes
- Drama classes
- Days they may have a lunch time sport training

Students who have non school sports training after school are expected to wear their formal uniform and make provisions to change into appropriate clothing after school.

PROCEDURE FOR DEALING WITH UNIFORM ISSUES

Students who present to school with incorrect uniform may be issued with a demerit from a teaching staff member. Usually uniform will be checked in Devotions. Should a student have a situation where the uniform cannot be worn, then a parental note should be provided in the diary on the day with an explanation and timeframe. This note can be shown to staff members who question the student about their uniform. When a uniform item cannot be worn for an extended period then a letter should be forwarded to the Year Advisor.

NEW UNIFORM

There will be a slight change in uniform for the Secondary School with a phase-in period of a year. Therefore in 2015 there will be an opportunity to buy the existing uniform at a greatly reduced price.

It is important to note that Uniform items are to be bought from the College Uniform Shop only.
