Introduction

Welcome to Secondary School at Green Point Christian College! We hope that you will enjoy your Secondary years and if you are new, that you will quickly come to feel at home in the community of our College and know that this is your school.

At Green Point Christian College we believe that God has given all people gifts in a variety of areas and we hope that in your time here He will continue to make your gifts clear to you. Every student is special and individual and we endeavour to encourage all students in the spiritual, academic, emotional and physical areas of their lives.

There are many ways that you can become involved in your Secondary years at the College. We would love to see all students giving their efforts in various areas, whether that may be academic, literary, sporting, debating, leadership, service, music, art or caring for others. May we encourage you to apply yourself to the best of your ability in everything you undertake at the College. Hard work is required to achieve your potential. There are ministry areas in which you can become involved, such as giving time to help others, giving of your talents in Chapel Time, praying for one another and involvement in other activities that come up through the year.

This handbook will help you with daily routines and expectations and there is important information contained here to make your life at school easier. If you have questions or problems at any time, please make sure that you talk to your Devotions teacher or your Year Advisor for help. The College also has full time counsellors who are available should you need to deal with some deeper issues.

There are people who pray regularly for the College and our students. Be encouraged, those people are praying for you! We trust that you will really benefit from your time here as a member of our school community.

May God richly bless you in your time here at Green Point Christian College and give you a peace as you undertake your education in the next few years.

Mr Peter McLellan
Head of Secondary School

Our College follows the guidelines set out through the NSW Board of Studies, Teaching and Educational Standards (BOSTES) in all matters of curriculum.

Within the common guidelines set out by the BOSTES, there is freedom for each school to design, in part, its own curriculum. All subjects are taught from a Christian perspective by Christian teachers.

**Overview of Curriculum**

**Year 7**

**Year 8**

**Year 9**

**Year 10**

Lists of Elective Subjects current for each year will be available from the Registrar.

**Assessment Handbooks**

Early during each course of study, students receive an Assessment Handbook showing the timing of assessment tasks for each subject studied in the year. If there are any changes concerning the tasks to be done, students will be notified in writing by their teacher. Diaries should be used to enter due dates for assessment tasks and this will help in planning time, in being prepared for tests and tasks and in completing work by the due date.

**Attendance**

The school has a legal responsibility to keep records of attendance for all students. Any absence from school should be explained in a note to the Head of Secondary School, which students are to leave in the box outside the student window. Parents are also asked to phone the College Office before 9.30am to let the school know if their child is away on any day. If no contact is made a text message will be sent to the parent’s mobile phone asking them to phone the College. A note should be brought to school on the day of their return. This is a Department of Education requirement.

If a student will be away for an extended period, advance notice to the Year Advisor is necessary. A special form is available on the College Website for such circumstances.

**Arriving Late and Leaving Early**

It is important that all students arrive on time for school and all lessons during the day. If a student arrives late to school, they should go to the office student window and have their diary stamped in order to show their teacher that they have registered for roll marking purposes. Students arriving late to school for any reason must have a note from a parent. If students need to leave early, they must have a note signed by a parent/guardian and present that note to the office at the student window and sign out before they leave.

**Buses**

School buses arrive and depart in the bus bay at the front of the College. Parents are requested for safety reasons, not to collect students from this area but to park in the school carpark and pick students up from appropriate waiting areas on the edge of the carpark.

**Canteen**

A Canteen operates each day of the week and a list of the items and prices are available at the start of the term, attached to the Newsletter, for both summer and winter menus. Orders are to be made out on a plain paper bag with the name and class of the student noted as well as the order. Wherever possible please enclose correct money. The School Canteen depends upon voluntary parental assistance by many. Any time parents can provide, even for a short period, would be very much appreciated.

**Chapel**

Secondary staff and students meet together on a weekly basis. This is a time of prayer, singing, drama and regular guest speakers. Commendation Assemblies are held at the beginning of each term where some of our students are presented with certificates for particularly outstanding efforts throughout the term. The parents of the students receiving these awards are invited to the assembly and to share in refreshments following.
Diary
Students must use their diary to organise themselves. It is a place where they can write homework down and the dates of upcoming tests. It is a good idea for reminder notes to be written in the diary so that students will remember to study several days before a test. Students need to take their diary to every lesson. Diaries should be looked after and not have graffiti on the cover, and must be kept tidy and legible.

Discipline
We constantly make every effort to develop a close teacher/student relationship that shows each student that they are special to both us and to God. The Behaviour Management Policy of the College is based on the Bible, from which we take our lead in all our areas of expectation for students’ behaviour. The Behaviour Management Policy not only involves correction of poor behaviour, but also incorporates reinforcement of positive behaviour. Students who achieve a significant number of “Compliments” in a term are recognised with Merit Certificates and other rewards and may receive an Award at the Commendation Assembly.

Homework
The school supports the value of homework as a learning tool. Homework can be used to reinforce concepts taught at school and teach students the value of self discipline in the education process. We do not believe that homework tasks should be onerous or too demanding, so that homework becomes a disruption to the family. If there is a problem in this area, parents should feel free to make contact with the school.

HOMEWORK’S VALUE
...for the teacher:
The value of homework for the teacher is that it is a check that what is being taught at school is being absorbed and understood by the student and being exercised by the student.

...for the student:
Homework consolidates what is being taught at school. It also produces qualities of self discipline and time management.

...for the parent:
Homework keeps parents in touch with what is happening at school and helps the parent to monitor the child’s development. It also provides a forum for discussion over issues raised at school and over problems that are occurring. It provides a situation where parents can encourage their child and see what is being taught at school.

What is Homework?
Homework is work to be done outside of the school sphere without supervision of the teacher. It must be stressed that each subject will have different homework requirements, different types of homework, and different levels of parental encouragement required.

Help from parents:
Parents should never be asked to do homework for their child, but they may give encouragement and some assistance. It should be noted that assessment tasks in Years 7 to 12 and HSC Major Works must only contain work produced by the student.

@gpcc Device Minimum Specifications
The @GPCC is a program driven by curricular and learning objectives. Our vision is that @GPCC present students with a device which enables them to acquire the skills that empower them in all phases of the learning process, including research, problem solving, content creation, communication and collaboration. Students and families may already have a device that meets these requirements, or may purchase a new device to meet these requirements. With the continuation of our new @GPCC program, in 2015 all students in Years 7 to 10 are expected to bring a digital device that meets these requirements each day.

The recommended minimum device requirements are as follows:
1. The device must be running MAC OSX 10.9 (Mavericks) or higher
2. The battery must last at least 6hrs continual usage
3. At least 4GB of RAM
4. 1.3 GHz dual-core Intel Core i5 or above
5. 128gb HD or higher (SSD highly recommended)
6. Has an integrated camera

Any Apple MacBook model since mid-2012 will meet or exceed these specifications. If however you are unsure or unclear, we recommend that you take up the @GPCC offering, which is a MacBook Air 11”. We have chosen the 11” MacBook Air because it:

1. Is light, easy to carry inside a schoolbag, and takes up less space on student desks
2. Is the most affordable of the MacBook laptops available
3. Meets minimum required specifications

Other sizes or variants of the MacBook are acceptable as long as they meet the minimum specification listed above.

To ensure an excellent educational outcome, we require minimum specifications. These will best support students’ needs in the classroom, encourage teachers to innovate and provide a stable and reliable platform.
Library
The Library has many resources and people to help students. Resources include books, magazines, journals, newspapers, encyclopaedias and computers. Computers can be used to type up assignments and to research issues. Access to the internet, electronic encyclopedias, scanning facilities, black-and-white and colour printers, and photocopying facilities are features of the Library. The Library is open for individual research and borrowing from 8.30am each morning, recess, lunch and after school until 3.55pm. Senior students have their own area and should use these during Study Periods. There are a few computers set aside for the sole use of Seniors.

Medical Issues
Students requiring medical attention must be referred to the First Aid Duty Officer in the Sick Bay. No medication, including Panadol, will be administered by the First Aid Officer. Secondary School students will be permitted to administer their own medication. Parents are asked to ensure that any bottle/packet is clearly marked with the student’s name and the dosage clearly stated. No unmarked bottles/packets are permitted. If outside medical assistance is required, the family will be contacted, and if unavailable, the family doctor will be notified. In the event of an emergency, an ambulance will be called, family doctor phoned and the family will also be contacted.

Newsletter
Our weekly newsletter, “The Messenger”, is our prime communication link to parents of our school. The newsletter contains items of interest, diary dates, general matters of school family news, etc. It is essential that parents thoroughly read this each week so that they can be kept up to date with events in our school. Generally, “The Messenger” is posted to the College Website and will be updated each Wednesday afternoon. We ask all parents to provide us with their email address so a reminder may be sent each week.

Parent Involvement
Parents have many opportunities to be involved in their child’s schooling. Of particular concern is the monitoring of their academic work. Parents may have other opportunities to be involved in the school, such as assisting at particular sporting events and carnivals. Information on these and other areas of importance to parents will be advised through the Messenger. All parents are encouraged to be involved when possible.

Parent/Teacher Interviews
Parent/Teacher interviews are conducted during the year, where parents have an opportunity to talk to their child’s teacher(s) regarding their progress. These evenings allow parents to talk to more than one teacher at one venue. Parents are notified through the Newsletter when this night is approaching and appointments can be booked over the Internet via the College website. Should parents require further discussions on their child’s progress than can be provided on these interview nights, then they would need to make an appointment with the appropriate teacher through the College Office.

Reports
For Years 7-10 a brief interim report is sent home at the end of Term One. A comprehensive Half Yearly Report is issued at the end of Term Two and a Yearly Report is issued at the end of Term Four.

Sport
When students in Years 7-10 have PDHPE practical classes they may wear their sports uniform to school on that day. All students are expected to be involved in sporting carnivals.

Stationery and Text Book Requirements
A list of stationery requirements appears in the following pages for Years 7-10. Generally, all textbooks for students in Years 7-10 are provided by the College through the Library. For students in Year 10, a preparation day for those going on to Year 11 is held near the end of the year, part of which includes the opportunity to purchase Year 11 texts.

Student Window
Any student needing to come to the office for a message or sickness needs to come to the Student Window which is situated at the back of the Administration Building. If a student is unwell and wishes to go home, it is important that they come to the office where a parent can be contacted for them. They may not make their own arrangements. This is important for their own safety and also so that we are aware at all times of who is on site for evacuation purposes or other emergencies.

Visitors
All visitors to the College should report in at the reception desk at the front office, sign in and collect a “Visitor’s” badge. These must be worn whilst on the property and you may be approached and questioned as to your visit if you do not have a badge on.

Withdrawal of Students
Parents need to give at least 10 week’s notice in writing (10 weeks of school term time) of termination of enrolment and failure to do so will render them liable for one term’s fees.
STUDENT EXPECTATIONS

MYSELF

1. I am responsible for my own learning by being prepared for each lesson with the correct equipment.
2. I am responsible to be on time for each lesson.
3. I am responsible for helping to create a positive and safe learning environment in a Christian context.
4. I am responsible for having homework and assignments submitted on time.
5. I am responsible for entering and exiting the classroom quietly and safely.
6. I am responsible for my electronic items (e.g. MP3 player, mobile phone) so that they are not seen or heard in the classroom.

PEERS

1. I am to stay on task without disturbing or distracting others.
2. I am to treat all other students with respect at all times and accept individual differences.
3. I am not to interfere with another person’s property.

STAFF

1. I am to treat staff with respect and accept their authority at all times.
2. I am to follow the instructions of all staff whether in the classroom or playground.
3. I am to actively listen when the teacher is speaking.

COLLEGE

1. I am responsible for keeping the classroom and playground clean.
2. I am responsible for not damaging or interfering with school property.
3. I am responsible for wearing my uniform correctly in and out of school.
4. I am responsible for positively reflecting the Christian attitudes and values of our school.

“Show proper respect to everyone:”
(1Peter 2:17)

“Whatsoever you do, work at it with all your heart, as working for the Lord, not for men.” (Colossians 3:23)
Student Behaviour

The following explains the Behaviour Management Policy of the College, which includes common student expectations, responsibilities and related rules in certain key areas of school life.

Introduction
Discipline starts with the conviction of the school community that certain behaviour is right and certain behaviour is wrong.

This conviction rests firmly on God’s Word, which also provides the benchmark as to the rightness or wrongness of behaviour. It is then the responsibility of all members of the College community to support one another in encouraging good behaviour and discouraging bad. Outward conformity to such standards can, and will, be legislated. However, at Green Point Christian College, discipline is not confined to control of student behaviour; it has a training aspect to it.

The goal is that students might willingly co-operate with our God, who desires to transform us to be more like Him, towards their own self discipline. Such self discipline needs to be learned and is an intrinsic part of our educational process.

Aspects of our Discipline Process

Home-School Partnership
Partnership between home and school is vital, with open two way communication between home and school being an important part of this. Further, there is no substitute for consistently applied standards, with all adult members of the College community modelling correct attitudes and behaviour to students.

Teaching
Students are taught what God requires of them and what the College procedures and expectations are.

Planning and Organisation
Effective planning and efficient time management of student activities promotes good discipline. Lack of classroom organisation is a major catalyst for misbehaviour.

Encouragement
Teachers should seek opportunities to encourage students in good behaviour.

At GPCC, the following methods for encouraging appropriate student behaviour will be employed:

a. Non verbal encouragement methods - eg teacher glance, smile, nod
b. Verbal encouragement - eg a “well-done”
c. Granting of an in-class privilege - eg use of particular equipment; opportunity to do additional challenging work
d. Compliment - issued to students for particular actions deserving of commendation and accumulating towards further recognition
e. Merit Certificates - issued by the College after a student gains three compliments
f. Commendation Awards, given to students in each class who have received the greatest number of Merit Certificates, are presented at a special Commendation Assembly held each Term, with parents present and invited to morning tea with the recipients of awards.

Protection
An aspect to be considered at all times is the protection of students from the misbehaviour of others.

Prayer
Staff are encouraged to pray for students in all stages of the discipline process.

Sanctions
Students must learn that actions do have consequences. In order to allow students to connect behaviour with consequences, staff at GPCC will ensure that there are consequences which suit the offence.
Sanctioning actions are not just directed at the student concerned. The actions set a tone and a precedent for all students at the College.

Children need to see that justice is done, and that it is tempered by mercy. The Lord requires of all of us that we act justly and love mercy.

Redirecting Student Behaviour
At GPCC, the following methods for redirecting student behaviour will be employed:

- **a.** Non verbal corrective methods - eg teacher glance, raised eyebrow, proximity control.
- **b.** Verbal correction - eg teacher names student, restates the relevant, desired behaviour, asks the student what they are doing, asks the student what they should be doing.
- **c.** Immediate action - eg relocating the student’s position in the classroom or playground.
- **d.** Isolation of the disobedient student - sending them for a time to a withdrawal area within the classroom; to the room of a colleague; to Administration.
- **e.** Withdrawal of privileges - eg use of sports equipment; partial loss of recess or lunch time.
- **f.** Consequential Community Care - eg cleaning activities in the classroom, around the grounds.
- **g.** Demerit - issued to students for minor offences and accumulating towards a detention.
- **h.** Detention – 20 minutes at lunch, where students sit quietly under the supervision of a nominated teacher.
- **i.** Behaviour monitoring: Students who persist with inappropriate behaviour may be placed on a behaviour sheet for a period of one or two weeks.
- **j.** Afternoon detention, currently held from 3.30 - 4.30pm on Wednesdays. This is a serious matter involving inconvenience for a number of people, so is arranged via the Head of School who ensures that adequate notice is given to parents and student.
- **k.** Further poor behaviour will lead to a student being the subject of a disciplinary interview, involving parents, the Year Advisor, and as appropriate, Head of Secondary School, or the Principal.
- **m.** In-school suspension - with the Principal’s (or Head of Secondary School’s) and the parents’ knowledge, the student attends school for the agreed period of time but is withdrawn all day long from normal school activities. The student works separated from their usual social contact in class and in recreation time.
- **n.** Suspension - through the Principal, the parents and student are told that the child is not to attend school for a period of time. The student is re-admitted on a probation basis.
- **o.** Expulsion - the parents of the child are told by the College Board that, on the recommendation of the Principal, their child is to be removed from the College community.

**Corporal Punishment**
God’s Word teaches that corporal punishment, applied judiciously, is an appropriate method of discipline. However, in deference to current law, this option has been set aside at present by the College.
GPCC Uniform Shop

Green Point Christian College runs a Uniform Shop here on the Campus. New students need to make a booking for a Uniform fitting. Bookings may be made at Orientation Day or through Reception. At the time of fitting you will be expected to collect and pay for your uniform. The Uniform Shop accepts Credit Card payments.

PLEASE NOTE: NORMAL TRADING HOURS ARE:
EVERY DAY 8.30AM – 11.00AM EXCEPT WEDNESDAYS
(DURING SCHOOL TERM TIME)
AFTERNOONS BY APPOINTMENT ONLY

If you are unable to get to the Uniform Shop during normal hours there are other ways to access the shop. You may telephone an order to the shop to be left at Reception for payment and collection. Or children may hand in an order to the Canteen with payment, this will be processed as soon as possible and sent to the child’s classroom. Credit Card payments over the phone will be accepted subject to Bank approval. Note: There are some second hand items for sale.

Uniform fittings will be held in Term Four. Uniform items will be available for purchase at the time of your fitting appointment. If payment is a problem on the day of your fitting, an arrangement can be made to hold it for you, please enquire at the Uniform Shop. The Shop accepts cash, cheque and credit/eftpos.

2016 - January Opening Times (please refer to the College website towards the end of the year)

Students who will require an appointment are: New students and students going into Year 7. If you only require a few things and know the sizes, you do not need to make an appointment and may make purchases in the usual way except during fitting weeks. It is up to every parent to make an appointment through the College Office for a fitting.

Please also be aware that the Uniform Shop sells iron-on, personalised clothing labels. These are sold at $4.50 per 15 labels and can be purchased and supplied at the time of your fitting. Every family is encouraged to utilise this service as lost property is difficult to return without a clear name and telephone number.
General Uniform Information

GPCC is committed to maintaining an environment where students recognise that they are valued and unique individuals, but are also integral members of a community. Within this environment, students are encouraged to develop their individual talents and gifts and to explore how to use these gifts in the growth of the community as a whole. One of the ways that students demonstrate their commitment to the College community is by the wearing of a uniform. It is a visible reminder of the connection and commitment to the vision and values of GPCC.

Benefits of wearing a uniform:

- It provides a common standard of appropriate dress that reduces the opportunity for superficial comparisons to be made.
- It provides a standard of appropriate dress that is modest but functional, therefore removing the opportunity for others to be negatively impacted eg some clothing items highlight the human body in a sexual way, or may contain offensive slogans or pictures.
- Provides students with a tangible and positive symbol that they belong to our school community.
- Assists the students in their roles as ambassadors of the College, whether in or out of school.

Students are expected to be in formal uniform each day and are to be wearing it appropriately without modifications. Students are permitted to wear their sports uniform on days where they are involved in:

- Practical PDHPE classes
- Drama classes
- Days they may have a lunch time sport training

Students who have non school sports training after school are expected to wear their formal uniform and make provisions to change into appropriate clothing after school.

PROCEDURE FOR DEALING WITH UNIFORM ISSUES

Students who present to school with incorrect uniform may be issued with a demerit from a teaching staff member. Usually uniform will be check at the start of the day in Devotions. Should a student have a situation where the uniform cannot be worn, then a parental note should be provided in the diary on the day with an explanation and timeframe. This note can be shown to staff members who question the student about their uniform. When a uniform item cannot be worn for an extended period then a letter should be forwarded to the Year Advisor.

Please also be aware that the Uniform Shop sells iron-on, personalised clothing labels. These are sold at $4.50 per 15 labels and can be purchased and supplied at the time of your fitting. Every family is encouraged to utilise this service as lost property is difficult to return without a clear name and telephone number.

It is important to note that Uniform items are to be bought from the College Uniform Shop only.
Years 7 to 10 - 2016
Uniform Requirements

Girls Summer and Winter

Summer/Winter

**Skirt**
- Taupe skirt with logo and adjustable waist, to touch the knee.

**Blouse**
- White short sleeve blouse with red piping and logo.

**Jumper**
- Red wool blend jumper with embroidered logo.

**Cardigan**
- Black cardigan with logo (optional).

**Blazer**
- Black, shaped girls blazer with logo (optional).

**Hat**
- GPCC hat: Choice of dress hat, bucket hat or sports cap.

**Socks**
- Short white anklet socks to be worn above the ankle.

**Stockings**
- Black opaque stockings (70+ Denier).

**Shoes**
- Black low profile polishable leather shoes, fully enclosed and protecting the foot.

**Hair**
- Shoulder length hair must be fully tied back. Students’ hair must be of a neat and tidy appearance and should not draw attention to themselves in colour, cut or style. Hair accessories should be simple such as hair elastics, bobby pins or ribbons and should only be red, black or white in colour.

**Bag**
- Black school bag with logo.

**Sport**

**Shirt**

| **VISUAL DESIGN**                     | 1 x A4 display folder with plastic sleeves
                                           Visual Diary supplied by school
                                           Glue stick, ruler, eraser, USB stick                                                                      |
Traffic Management Plan
For Our Children’s Safety

This Traffic Management Plan, first prepared in 2005, has been revised with the paramount aim of ensuring the safety of children when they arrive or leave the College. Compliance with this Plan will also improve traffic flow in peak periods.

1. TRAFFIC WARDENS will be on duty during peak periods to supervise the movement of students and vehicles. Please follow their instructions.

2. Three PEDESTRIAN CROSSINGS, monitored by Traffic Wardens, should be used in order to promote the safe separation of pedestrians and vehicles.

3. The DROP OFF and PICK UP ZONE allows students to move to and from a supervised, covered walkway so that drivers can remain in their vehicles.

4. The FLOW LANE enables vehicles to circulate until either a parking space or until the student(s) in that vehicle can be dropped off or picked up.

5. Please take care when OPENING CAR DOORS as that can injure pedestrians and/or cause damage to vehicles.

6. An ADDITIONAL EXIT LANE, with a maximum speed of 10kph, is available in the afternoon to ease congestion.

7. To keep that lane clear, the entry after the traffic lights, beside the Church Office should NOT be used between 8.15am - 9.00am and 2.45pm – 3.30pm.

8. The STUDENT CAR PARK, adjacent to the petrol station, should not be used by parents as it is not supervised and has no pedestrian areas.

9. Any PRE-SCHOOL AGE CHILDREN are to be supervised at all times, including holding hands whenever possible.

10. As is the case on public roads, MOBILE PHONES should not be used whilst driving in the car park area.

11. Students travelling on BUSES must use the covered walkway when walking to or from buses and must not use the car park.

12. Observations or suggestions in relation to pedestrian safety and traffic flow are welcome and should be emailed to aritchie@gpcc.nsw.edu.au
