20 March 2013

Dear Parents,

Next term we will be trialling a Tennis program for Primary students after school.

The course is called Hot Shots, run by LA Tennis and endorsed by Tennis Australia. Spaces are only available for 20 students to begin with.

The cost will be $40 for eight weeks commencing Tuesday 7 May 2013 and then each Tuesday until Week 9.

The program will run in the MPC from 3.30 - 4.30pm. Children can bring their own racquet but all equipment is supplied.

Registration details and payment to be made in the first week but I am compiling the list of participants. My expectation is that positions will fill quickly. Please email me at: mdrennan@gpcc.nsw.edu.au if your child in Years 3 - 6 would like to take part.

Yours sincerely,

Matthew Drennan
Head of Junior School
