Dear Parents of Year 10 Students

Re University Entry Requirements 2016

The Universities Admissions Centre (UAC) publishes a booklet each year for Year 10 students to assist them with subject selection for Year 11 and 12 courses. The Booklet outlines general requirements for University courses for the year when the current Year 10 students would potentially be applying for University entrance. Students in the current Year 10 group may potentially be applying for 2016 University entrance. The College will be ordering a quantity of the University entrance booklets relevant for our current Year 10.

The booklet lists the areas of study that the participating institutions plan to offer in 2016 and also provides information about courses that are prerequisites or recommended for study in Years 11 and 12.

The cost for the booklet is $6.00.

To obtain a copy through the College please fill in the form below and return it to the office or Mr Russell by Friday 12 April 2013.

Your school fee account will be charged $6.00 for this booklet and is due and payable by the end of Term 2.

Yours sincerely,
