7 March 2013

Dear Parents

Assistance with teaching Scripture at Pretty Beach Primary School

This year, our Year 11 students have the opportunity to be involved in teaching Scripture at Pretty Beach Primary School. GPCC students will team up with the adult Scripture teacher and assist with delivery of the program to the Primary students. This is a fantastic opportunity for students to step out in faith and be involved in Gospel ministry in our local area.

The Scripture classes run on a Monday afternoon from 1.45 – 3pm. The College would seek to arrange transport to and from the venue; however participating students might be late back to school for some buses. In this case, alternative arrangements for travel home would need to be made by parents.

We are looking to involve a number of students on a rotation basis so that students will assist 1 to 2 times per term. The aim of this is to minimise disruption to study. We need a number of committed and interested Year 11 students to be involved for this to be viable.

If you would be happy for your child to participate in Scripture teaching at Pretty Beach, could you please complete the permission slip below and have your son/daughter return it to the office as soon as possible (by Friday 15 March).

Yours sincerely

Tom Anderson
Director of Spiritual Development

To be returned to the College office (Mr Anderson) by Friday 15 March 2013.
