28 November 2014

Dear Parents

Thank you for your ongoing support of Green Point Christian College. In order to meet the compliance requirements of Occupational Health and Safety Policies, the College has updated its Shoe Policy. It is expected that your next purchase of school shoes will meet the College policy requirements and that all students will be in the correct footwear.

For all students in Years K-12:

A fully enclosed black polishable shoe (either lace up or velcro tab for Junior School). The shoe must have arch support and must not have a flat sole. It must also offer protection over the top of the foot and be fully enclosed.

In addition, students in Years K-6 are permitted to wear a black polishable leather sports shoe.

Also, sport shoes are vital for the health and development of growing feet in physical activities undertaken in Physical Education and Sport at Green Point Christian College. We require the wearing of well-fitting and supportive sport shoes that are of predominantly white or muted colour. This excludes Volley or Skate style shoes with a flat sole, in either canvas or leather as they do not give adequate support. Shoes that are made in excessively bright colours are also not acceptable.

We have met with the following retailers and they will be able to assist you in purchasing school shoes that meet our policy requirements:

- Athlete’s Foot, Erina Fair
- Shoe Warehouse, 20 Karalta Rd Erina (Offer 20% off RRP all year)
- Mathers Shoes, Erina Fair
- Myer, Erina Fair
- Payless Shoes, Erina Fair

Some examples of these shoes have been provided on the reverse to help you understand the style of shoe the College is requiring.

Thank you for your cooperation.

Regards

Julie Stowe
Acting Head of Junior School
